STRESS LAYER**TERMINAL DISCLAIMER**Commissioner for Patents
Washington, D.C. 20231

Sir:

Petitioner, John P. Mulgrew, represents that he is one of the attorneys of record for Acushnet Company, the assignee of the entire right, title and interest in and to the above-identified application by virtue of an assignment from William E. MORGAN, Roman D. HALKO, and Emanuel VIEIRA to Acushnet Company that was recorded at Reel / Frame 0117785 / 0738.

Petitioner hereby disclaims the terminal part of any patent granted on the above-identified application that would extend beyond the expiration date of any patent that may be granted on co-pending U.S. Patent Application No. 09/842,829, filed on April 27, 2001, and hereby agrees that any patent so granted on the above-identified application shall be enforceable only for and during such period that the legal title to said patent shall be the same as the legal title to any patent that may be granted on co-pending U.S. Patent Application No. 09/842,829.

Petitioner further agrees that this agreement is to run with any patent granted on the above-identified application and is to be binding upon the grantee, its successors, and assigns.

Petitioner does not disclaim any terminal part of any patent granted on the above-identified application prior to the expiration date of the full statutory term of any patent that may be granted on co-pending U.S. Patent Application No. 09/842,829 in the event that any such patent later: expires for failure to pay a maintenance fee, is held unenforceable, is found invalid, is statutorily disclaimed in whole or terminally disclaimed under 37 CFR § 1.321(a), has all claims cancelled by a reexamination certificate, or is otherwise terminated prior to the expiration of its full statutory term, except for the separation of legal title and stated above.
